

United for new challenges  
Working with global partners

COMMUNICATION - FILMS - DIGITAL - 3D

# SERVICES

## WHAT WE DO...

Virtual & augmented reality

Digital marketing

**3D** modeling & animation

Mobile applications

Communication **strategy**

Content creation

Dynamic & **unique website** design

**Films** production

**Graphic identity** charter rules

**Social media** management

Product branding & **packaging**

Search engine marketing & **Google** analytics

The most important challenge  
is to find an impacting concept ...  
Here we produce creative ideas

# Your visual identity

is a job that requires creativity

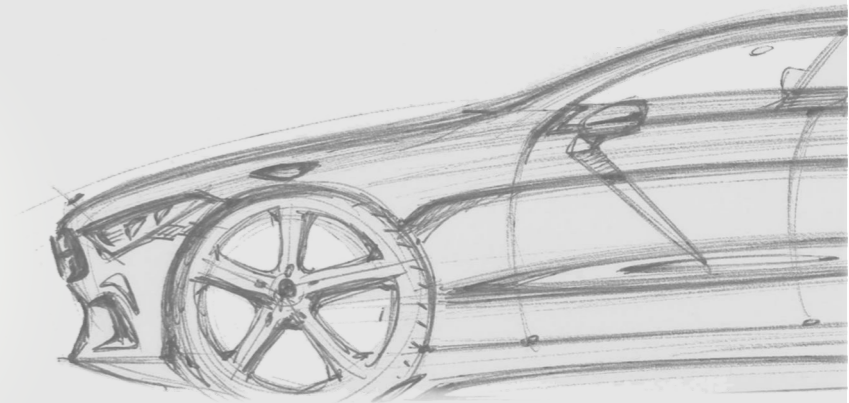

But also a great knowledge of the universe of

# your brand

# 3D and motion graphics

Welcome ... You are at the right address

United so that  
your web and mobile needs  
are technically and **aesthetically perfect**

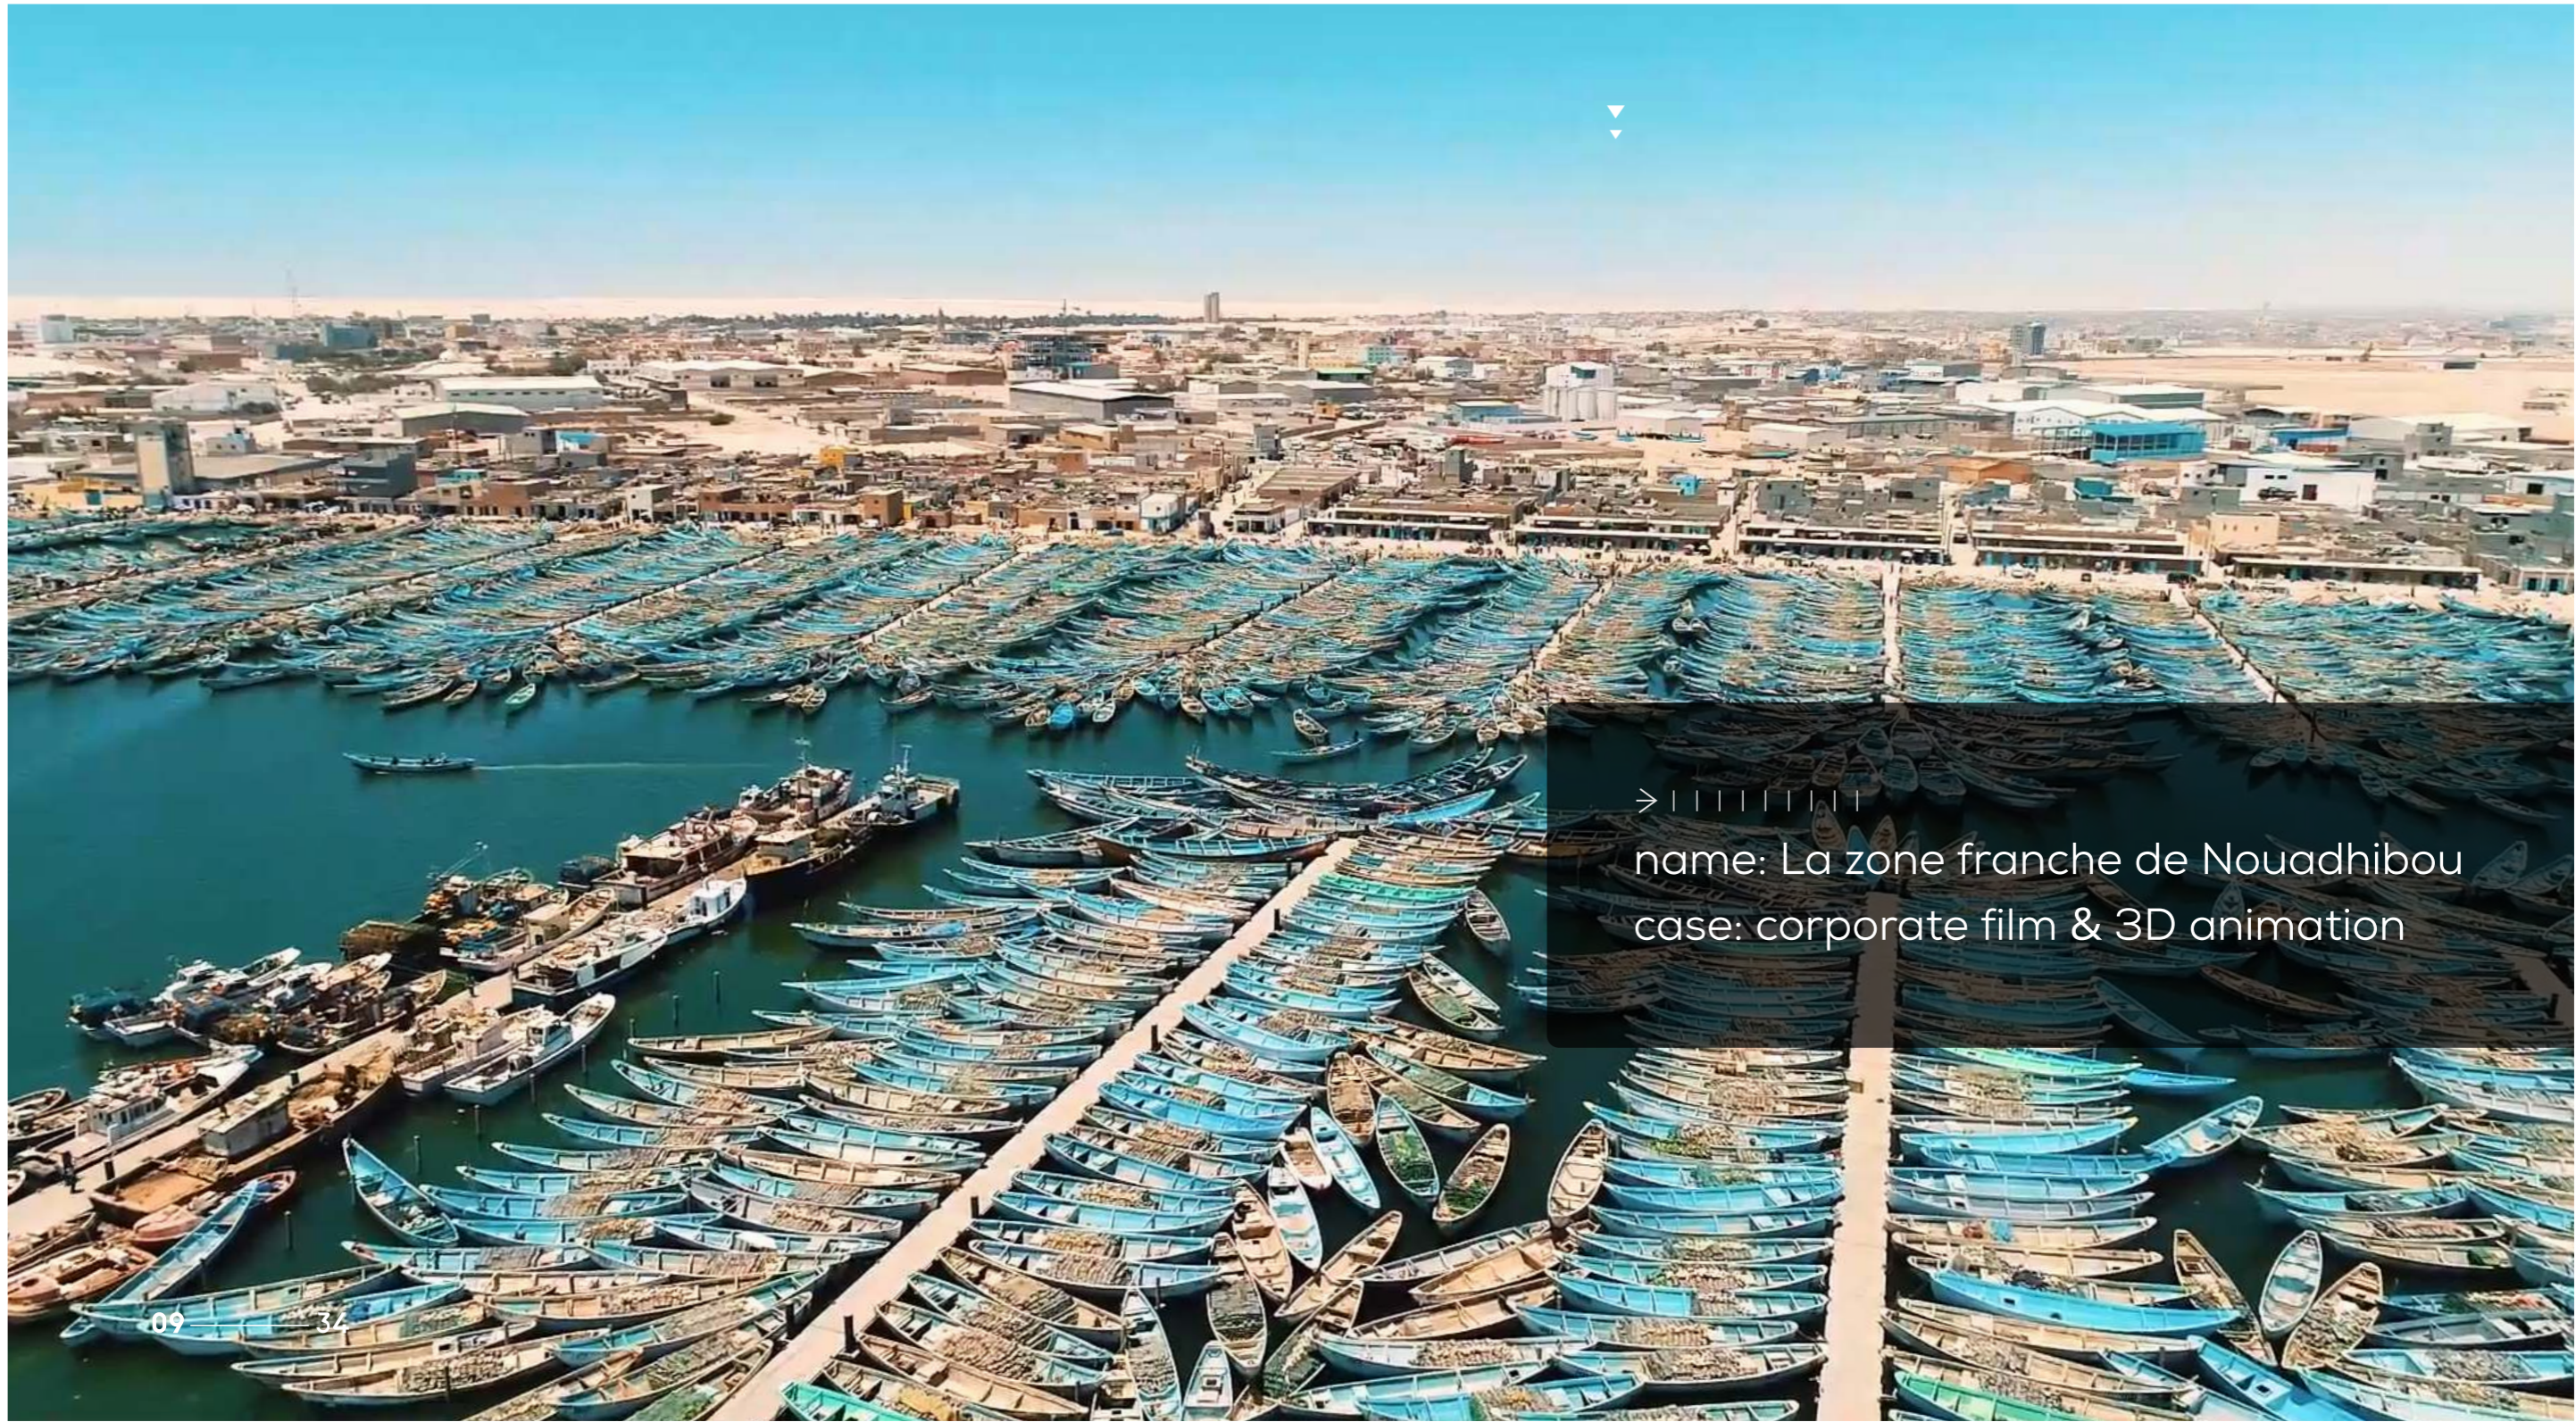

Let's think about  
immersion and new experiences  
by using **augmented & virtual reality**

# WORK SHOWCASE

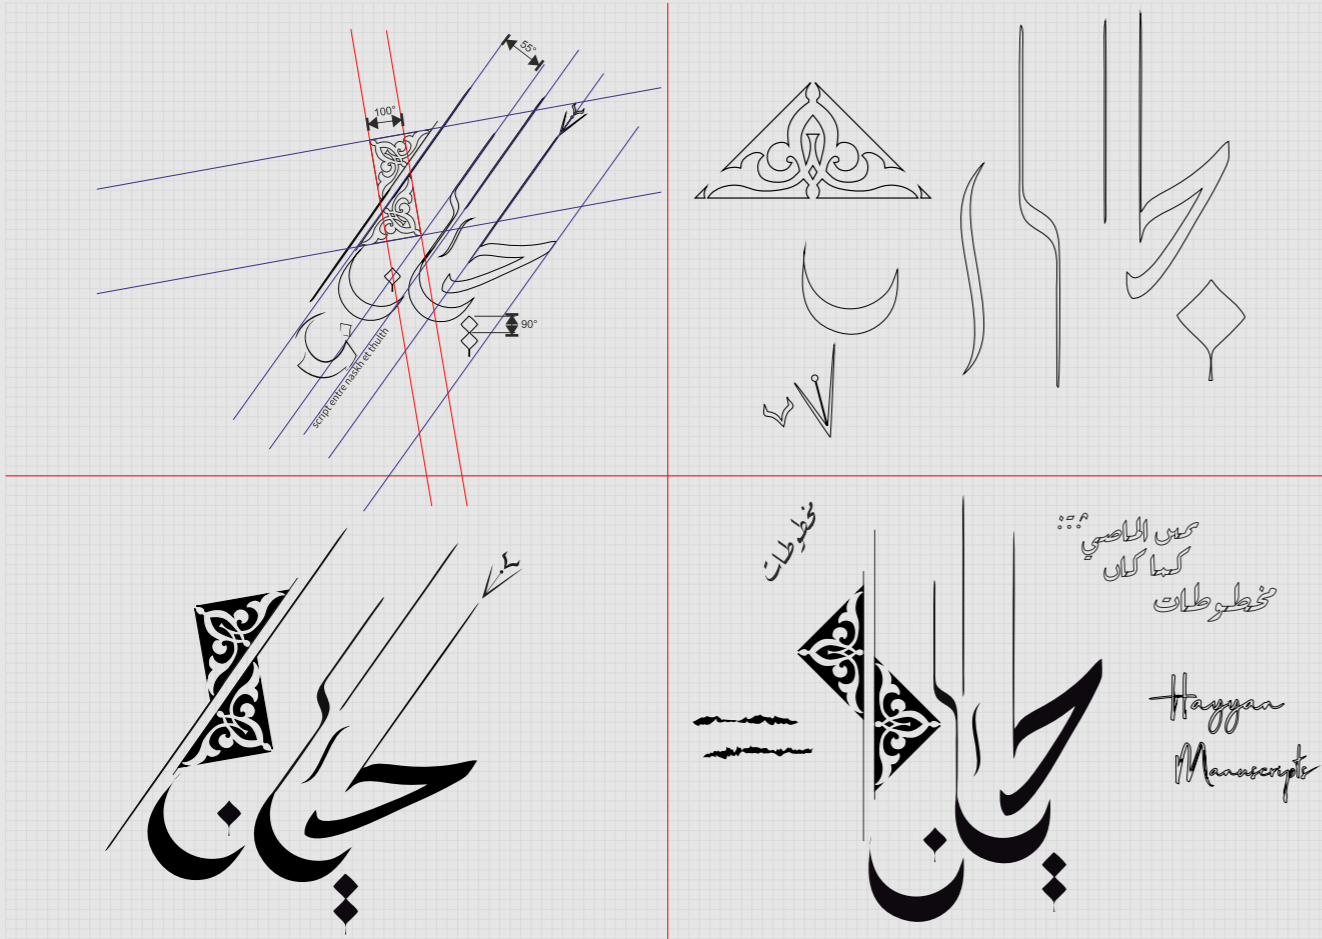

We help agencies and brands create experiences people will remember, through film, web, mobile, gaming, virtual reality, installations and nascent technology.
